

## Jesus Answered, I Am the Way and the Truth and the Life

**Main Bible Verse:**

(John 14:6) Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me.

**Summary:**

1. (John 14:6) The way is the method, the plan of God. If we walk in God's plan, we will go into truth. This truth will lead us into life. When we walk in the truth of God, you will speak the truth of God and live in the truth of God, then you will receive life, the life of Christ. This is the life that touches the Lord's life.
2. In other words, when you walk in God's plan, in God's truth, you will see God. Therefore, we must walk out of ourselves and not to lean on our own understanding, but to walk on God's way. Then we may enter the truth, the solution to all our problems.
3. (John 1:1-4) Everything we have, is made by God. When we walk on His way, God will create for us.
4. (Luke 5:3-8) Peter, the professional fisherman, worked whole night and couldn't catch anything. When he followed Jesus' instruction, he caught so much fish that he needed his friends to help him get the fishes back to the shore. That is when Peter realized that Jesus is the Messiah, the solution to all his problems.
5. Peter did not rely on his own professionalism, but obeyed the instruction of God, and was able to enter into the abundance God has prepared for him. God's plan is better than our own understanding and knowledge. God's plan is the plan of success.
6. We need to seek God's plan to live a healthy and abundant life. We must come to church to lift our hands and to worship and submit ourselves to God. Let the Holy Spirit come to renew us. In the year of 2021, let God's creation help us to have better health, better relationship with our spouse and children, better career, and more sharing of the gospel.
7. The way is our direction, truth is the method. We must let Jesus become our way, our truth, and our life. The first thing we must do is ask God to walk with us.
8. (John 14:1-12) Peter received the revelation and the great works of God. When we learn God's word, we don't just learn the word, we also need to train ourselves to live it out:
  - a. (v.1) Do not let your heart be troubled
    - At the time of pandemic, we must first train not to let our heart be worried. We must lift up our hand and pray daily, and train our heart to trust in God. Not let our hearts be troubled by the attack of Satan. When we give our heart to God, our hearts will not be troubled. Ask God to tell our heart and strengthen our heart not to be troubled.
    - The first step to enter into God's wonder is to not let our heart be troubled. When we trust in the Lord and not let our heart be troubled, God will open up new and living way for us.
    - Whenever we feel sad or depressed, lift up our hands and praise God.
  - b. (v.1) Trust in God and also in Jesus
    - The best way to trust in God is to speak in tongue:
      - (1 Corinthians 14:2) When we speak in tongue, we are not speaking to men but to God.
      - (Psalms 8:2) When we speak in tongue, we are praising God, and silencing the enemies.
      - (1 Corinthians 14:18) That is why Paul said, he speaks in tongue more than all of us.
      - (Mark 16:17-18) Through prayers, worship, and praise, in Jesus name, speak new tongue, the demons will be driven out.

- (1 Corinthians 14:2) When we speak in tongue, we will receive mystery. The more we speak in tongue, the more mystery we will receive, and more strength we will have, then we will not be vulnerable to the enemy's attacks.
  - (Romans 8:26-27) When we don't know what to pray, the Holy Spirit prays for us and help us in wordless groan. Through this type of prayer, the Spirit intercedes for God's people in accordance with the will of God.
  - (1 Corinthians 14:14) When we pray in tongue, our spirit prays but our mind is unfruitful. What is mind? Mind is from our feelings, it's what that is troubling us.
  - (Psalms 33:9) Peter couldn't catch fish all night long, it was tiring and frustrated. By his own thinking and his own mind, it's impossible. That is the will of men. But in God it's different, because when He speaks, it comes to be; when He command, it stands firm. When Peter obediently followed Jesus' instruction, he caught unimaginable number of fish, for God's method is wonderful.
  - Therefore, we must attend morning prayer meetings to praise God in the Holy Spirit. When the Holy Spirit works in us, we will be set free and we will receive peace and our worries and troubles will be gone. Daily lift up our hands to praise God and to proclaim in His name. We will be able to standfast against the attack of the enemies.
  - Praying with our own understanding and praying in tongue is entirely different. Only Praying in tongue may silent the foe and avengers. We must pray in tongue daily. Pray in tongue and praise God the first thing in the morning; pray in tongue and praise God before we begin to work; pray in tongue and praise God before we travel; pray in tongue and praise God before we eat; pray in tongue and praise God before we go to bed.
  - Pray in tongue and give thanks to God continually. Lift up our hands and pray and praise God at least 7 times a day. God might use your tongue to pray for someone who is in need.
- c. (v. 6) Jesus will go prepare for us, He will be our way our truth and our life
- d. (v.12) Jesus will make us do great things
9. (Matthew 24:21) Jesus told us there will be great distress, but Jesus also promised us that for the sake of the elect, the days will be cut short. Jesus gave us the command and authority to pray. We must exercise this authority and pray. That is why Jesus taught His disciples:
- v(Mark 16:17-18) And these signs will accompany those who believe: In my name they will drive out demons; they will speak in new tongues; they will pick up snakes with their hands; and when they drink deadly poison, it will not hurt them at all; they will place their hands on sick people, and they will get well."
    - In Jesus name speak in new tongue and drive out the demons. Drive out the demon of worry, the demon of anxiety, the demon of fear, the demon of addiction, or the demon of adultery. In the name of Jesus, cast them out.
10. No matter what trouble we run into, we must pray. Worship and pray with your spouse, help them to receive the Holy Spirit. When we are filled with the Holy Spirit, we will receive power, revelation, anointing, and God's method will come to you. Together, let Jesus to be your way.
11. (Matthew 24:40-42) Our greatest hope is to be raptured. To prepare our life of rapture:
- a. Not let our heart be troubled
  - b. Worship before the throne of God and let His glory come down
    - We must pray and worship until the glory of God come down. When the light of God come down, there will be no darkness in our lives. At that moment, our doubt, our fear, and our poverty will be gone, for the way, the truth, and the life of Jesus has come to you.

12. Jesus promised us that we will do great things. We must learn to cast away our fear and doubt, and let Jesus' way, truth, and life come to us. It is not us, but God who is doing great things. He is our mighty God and nothing is too hard for Him.
