(John 18:6) "I am He," Jesus said. When Jesus said, "I am He," they drew back and fell to the ground.

### **Summary:**

John 18:5-6 | Luke 22:51

- We have a lot of negativity and feelings, but Jesus does not.
  - He has the Holy Spirit, and He is the word.
  - Jesus came to earth to spread the word of God.
  - When we receive and act upon the word, we will have miracles.
  - We must let the word of God be our way.
  - When Jesus says, "I am He," our negativity will be taken away from us.
- Then Simon Peter, who had a sword, drew it and struck the high priest's servant, cutting off his right ear. Jesus commanded Peter, "Put your sword away! Shall I not drink the cup the Father has given me?" Jesus then picked up the ear and healed the man for He is the word, the miracles, and the Spirit.
- We must lift our hands daily and have interactions with God.
  - We must let our lives have a connection with the word, and it will be our direction.
- Our feelings may not be correct. Even if it is, we must wait for the commission from God.
  - The commission God gives us will bring us life.

John 10:10

- The thief will come to steal, kill, and destroy, and all of this is the work of Satan.
- Jesus, on the other hand, is the creation, the anointing, and the revelation. Therefore, we must receive God's revelation with us.
  - We must always let the revelation of God guide us.
- It is not how we look, but how we live our lives.
  - Nothing is more important than how our lives are in the eyes of God.
    - That is why Jesus said, "I have come that they may have life, and have it to the full."
  - We must live a life that is pleasing to God.
