

Your Faith Has Made You Well

Main Bible Verse:

(Luke 17:18-19) Has no one returned to give praise to God except this foreigner?" Then he said to him, "Rise and go; your faith has made you well."

Summary:

Luke 17:11-19

- God will give us instructions when we inquire of Him through prayer, and we must have faith in His ways and do accordingly.
- We will be saved by God, and we must continually come back to Him to give thanks and praise.
 - We must not stop coming to services.
 - We should also help to remind those around us to come to church.
- We must praise God in loud voices and doubtless faith.
- We should learn from the one of the ten lepers that came back to Jesus after He had received healing.
- Those who return to Jesus to give thanks and praise to Him will be guaranteed, "your faith has made you well" (Luke 17:19).

John 14:6 | John 10:10 | Psalms 103:19

- When we come to church continually to praise and give thanks to God, we will be filled with hope.
 - We will have our direction.
 - The only path for us is one that Jesus has prepared for us.
 - This is why Jesus told us that He is our way, truth, and life.
 - Our own paths will lead us to troubles, struggles, and failures.
 - When we follow God's way for us, we will receive His help.
- We must learn to become the vessel of God.
 - God wants to use us, but the thief wants to steal, kill, and destroy us.
 - We must not allow ourselves to stray from God's path.
- We must pray and ask God for His spirit and strength to help us follow His direction for us.
- We must have a way on earth, and Jesus is our way.
 - We must allow Jesus to make our decisions for us for he knows what is best for us.
 - This is why we must lift up our hands to worship and praise Him.
 - "The Lord has established his throne in heaven, and his kingdom rules over all" (Psalms 103:19).
 - When we follow God's way, He will help us triumph over all.
- If we have God as our way, we will have success.
 - We must let God use us and decide for us, and we must have utmost faith in His way.
