Summary:

Luke 17:11-19 | Matthew 16:17-19 | John 10:10

- Church is the place for us to learn and solve all of our problems.
- We must be willing to confess our sins and repent.
- All we need to do is to give God all of our struggles, and He will give us peace.
 - God will help us in everything we do.
- We must learn to have a thanksgiving heart.
- We must have faith that God will listen to our prayers and help us.
 - There are many things that test our faith, and we must overcome those tests.
- The other nine lepers were healed by the word of God, but the Samaritan that had returned to give thanks to God was healed by his faith.
- We must go to church regardless of the situation.
 - It is great faith to come to church even in bad weather or inconvenient situations.
- Faith of thanksgiving is not easy.
- By God's word, we will be healed.
- When we have faith with action, we will be healed, and our problems will be solved.
- Through our faith, God will take away our pain, sickness, and sorrows, and we will receive His healing and joy.
- "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full" (John 10:10).

I Want to See

Lyrics: Sandy Yu
Music: Mary Chikagami Lee

Let Your presence fall down
on the worship of Your people
Let Your glory come down
on the praises of Your children

Chorus

Show Your glory, I want to see
just as Moses saw Your glorious face Show
Your glory, I want to see we
long to see Your glory come

Bridge

We cry out to You, our king,
let Your favor fall down
We declare Your holy name
Let Your grace fill the earth
May You always be with us
for You are our delight
till we see You face to face
